WE WANT OPTIONS

With your purchase of a \$99.99 apple pencil lipstick, you are granted the unlimited offer of charger lip kit sets for \$99.98. With just a little more rubber, metal, wires, and pigments; you are contributing to a sustainable cause. We are currently working on a wireless approach for a more sustainable and better user experience.

CAPTURE THE GLOSSIEST GLOSS

You can now take a selfie while applying lip gloss at the same time. Never miss an opportunity of a fire selfie, even when you're applying makeup. The selfie will automatically post onto your Instagram account to show your followers how real you are. The instant connection and authenticity to your audience is guaranteed a verification badge and 10K+ followers.

WIRELESS BLUSH

This is unlike any other blush because the air pods blush is wireless. No need to plug your blush into an outlet anymore. This saves you a lot of time when you're rushed in the morning and applying blush on the go. Clean and minimal, you don't need to clutter your life with tangled wires anymore.
